

PLAYING REGULATIONS: MEN'S AND WOMEN'S SWIMMING

1. SPORT FORMAT

Canada West will follow the U SPORTS Playing Regulations. Meets will follow SNC rules as outlined in the SNC handbook. This document provides additional regulations that will also be followed or supersede a U SPORTS Playing Regulation.

2. TEAM COMPOSITION (Also refer to Policy 7 & 9 of Canada West Operations Manual)

- 2.1 An institution's competitive roster for the Canada West Championships, shall be limited to eighteen (18) men and eighteen (18) women. There is no limit to the number of contestants from one university that may enter an event at the Canada West Championship. The limit to the number of relay teams per institution shall be one relay team per event.**
- 2.2 In order to be eligible to compete at the U SPORTS championship, the athlete must compete at the Canada West Championship unless one of the following occurs:
1. The Canada West Eligibility Review Officer makes an appropriate ruling regarding the exemption for athletes who are competing at an international level competition at selected National team activities if the international activity falls within 10 days of the end of the Canada West Championships. This exception from attending Canada West will cover 10 days prior to the start of the international competition and the 10 days after. Athletes in National Training Centre's or National Academy activities are exempted only if they meet one of the mentioned exemptions above. Requests for exemptions, along with appropriate documentation, must be provided to the Canada West office at least one-week prior to the Canada West Swimming Championship. All approved exemptions must be circulated to all Canada West swimming schools.
 2. The Canada West Eligibility Review Officer receives medical certificate documentation of illness submitted by the Athletic Director or designate within seven (7) days after the start of the Canada West Championship which contains the following information:
 - a) Diagnosis
 - b) Date of onset of the injury/illness which prevented the athlete from competing the Canada West Championship.
 - c) Recommended Treatment/Intervention
 - d) Prognosis, with approximate date of clearance for athletic competition.
 - e) Any other information relevant to the appeal.
 - f) Physician signature, Physician's clinic stamp or letterhead/prescription pad

MEN'S AND WOMEN'S SWIMMING REGULATIONS

3. A swimmer has met U SPORTS Standard but was excluded from the Canada West Championship because of the 18-swimmer limit outlined in 2.1.
 4. **A swimmer who was excluded by their institution from the Canada West Championships and who had not achieved the qualifying time for U SPORTS Championships by the entry deadline for that year's Canada West Championship shall be eligible for the U SPORTS Championships, even where their institution had not reached the 18 men or 18 women Canada West roster threshold.**
- 2.3 As swimming's competitive season is split over two terms, if a student-athlete becomes ineligible to compete at the Canada West championship as result of failing to maintain a full-time academic course load in the fall term, an exemption may be submitted to the Eligibility Review Officer by an institution on behalf of the student-athlete.
- The exemption would request that the athlete be eligible for participation in the U SPORTS Championships pending confirmation of the following information:
- a) Provision of the student-athlete's academic transcript indicating the withdrawal from full-time registration in the fall term
 - b) Confirmation of full-time registration in the winter term
 - c) Evidence that the student-athlete has achieved U SPORTS standard as per the U SPORTS Playing Regulation 3.3.

Requests for exemptions, along with appropriate documentation, must be submitted by the Athletic Director or designate to the Eligibility Review Officer by no later than the Friday preceding the U SPORTS Championships to allow for decision prior to the Monday meet entry deadline the week of the U SPORTS Championships. All approved exemptions must be circulated to all Canada West swimming schools.

3. LEAGUE / SEASON FORMAT (Also refer to Policy 8 of the Canada West Operations Manual)

- 3.1 Time standards shall be circulated annually by the upcoming Canada West Championship host institution to all coaches and Athletic Directors by October 1st. The Canada West Championship meet standards will be 107.5% of the U SPORTS Standards for the competitive year.
- 3.2 For all events and all sexes, standards are based on 25 metre course.
- 3.3 Dual Meets shall be scored as follows:
Individual Events 5-3-1 and Relay Events 7-0, Or
Individual Events 7-4-3-2-1 and Relay Events 9-4-2
- 3.4 Host institutions are to provide a scoreboard to display the running score throughout the meet.

4. PLAYOFF / CHAMPIONSHIP FORMAT (Also refer to Policy 8 of the Canada West Operations Manual)

4.1 The Canada West Championship should be held on the third or fourth weekend in November. See Appendix A for the Order of Events.

4.2 QUALIFICATION

1. The host university shall upload the entry file and technical package to the Swim Canada Meet List website <https://www.swimming.ca/MeetList.aspx> by October 1 prior to the Conference Championship. The host university shall send email notification to each coach indicating the files are available.
2. To be eligible to compete in the Canada West Championship:
 1. A competitor must be academically eligible as per the circulation of the institution's eligibility certificate
 2. **A competitor must have posted a qualifying time on or after October 1st of the year preceding the Canada West Championships (ie: on or after October 1, 2021, for the November 2022 Canada West Championships).**
 3. **Times posted by a competitor on or after October 1, 2021, may be used for seeding purposes for the November 2022 Canada West Championships.**
 4. To be eligible to compete in the Canada West Championship, a competitor must have attained at least one cut-off standard time in an individual event. If only three swimmers from an institution qualify for either the men's or women's section of the Canada West Championship, a fourth swimmer may be added to swim in relays only, even though the fourth athlete may not have achieved the cut-off standard time in an individual event. All athletes must qualify as an eligible representative of their institution.

4.3 ENTRY REGULATIONS

1. The meet director must receive Canada West Championship entries by ~~9:00~~ **12:00** pm (PST) on the Friday (7 days) prior to the competition weekend. Entries for individuals who are "late qualifiers" (achieving a qualifying time between the Friday and ~~Wednesday~~ **Tuesday** prior to the championships) will be permitted up until 12:00 Noon (PST) on the ~~Wednesday~~ **Tuesday** prior to the weekend competition.
2. Each competitor may pre-enter a maximum of six (6) individual scoring events and one (1) exhibition event.
 - 1. At least one of the pre-entered events must be an event in which the qualifying standard has been achieved; however, it need not be

MEN'S AND WOMEN'S SWIMMING REGULATIONS

- one of the events in which the athlete competes. Each competitor may only compete in a maximum of four individual scoring events.
- 2. Each swimmer may also enter one (1) event as exhibition. This exhibition swim must be indicated by the coach on the submitted entries by marking the swim as EXHIB in Hytek at the entry deadline and cannot be changed once entered. Exhibition entries are to be seeded.
3. Contestants once officially entered, must complete all consolation finals and finals for which they qualify. This applies to individuals and relay teams except in the case of disqualification under the false start rule or contestants having duly scratched. Failure to compete for any reason shall disqualify any performances for the balance of that day. In the case of disqualification on this basis, the points scored by other teams shall not be altered.
 4. Changes to the Canada West Championship entries, except existing entries in exhibition events, are permitted after the entry deadline, and up to the Technical Meeting, providing a \$50.00 administration fee per change is paid to the Host Organizing Committee and the entry is declared at the Technical Coaches' Meeting. (i.e. person "A" out of the 50m Free into the 100m Free is one change). A new entry into an exhibition event can be added at the technical meeting subject to the \$50.00 administrative fee. Exception: In the case of certified illness or injury, the alternate(s) are permitted to swim. The removed swimmer cannot swim again that day.
 5. The scratch deadline for all events other than the 50 m finals shall be 30 minutes following the end of the session. Scratches for the first evenings' timed final events will be accepted up to the end of the technical meeting held prior to the start of the meet, and the scratch deadline for the 50 m finals shall be 30 minutes after the conclusion of the 50m stroke prelims.
 6. Student-athletes are not required to complete a positive check-in or report to a marshalling area for A or B Finals.
 7. All entries must pass validation once uploaded to the Swim Canada website. Once the entry deadline has passed, a Master List of Entries (Psych Sheets) shall be distributed prior to the Technical Meeting. If a swimmer's entry time is challenged at the Technical Meeting, that coach must provide a proof of time, electronic or otherwise, to confirm the swimmer's entry time. If the coach cannot confirm the time, the change in entry is subject to the \$50.00 administration fee noted in 4.3.5.
 8. Relay entry times shall only be proven relay times achieved during the qualification period or a cumulative of four (4) standing starts. If four standing starts are used, only swimmers in attendance at the current Canada West Championships can be used for the purposes of entry and each performance will require a proof of time, electronic or otherwise.
 9. Relay complement names are to be submitted 30 minutes prior to the first scheduled relay start time of the session. Changes may be made up to this

MEN'S AND WOMEN'S SWIMMING REGULATIONS

point.

10. Heat sheets for time final events shall be posted thirty minutes after the scratch deadline.
11. **For seeding purposes, all short course yard times shall be converted at the current HyTek meet manager default factor while long course meter times shall be converted at 3%. All times will be converted by the meet management. All entries and proof of times must be provided to meet management in the course they were achieved in. Coaches will not convert entry times.**
~~For qualification purposes all short course yards and long course meters qualifying standards shall be determined by using the current Hytek meet manager default factor as of March 1st immediately following the previous U SPORTS Championships. No conversions will be accepted for qualification. For seeding purposes all times will be converted by the meet management using the current Hytek meet manager default factor. All entries and proof of times must be provided to meet management in the course they were achieved in. Coaches shall not convert entry times.~~

4.4 SCORING

1. Stroke 50's are scoring events and are given full event status.
2. The total number of scoring events competed by an individual, including relays, shall be a maximum of seven events; four individual scoring events and three relay swims.
3. Contestants shall qualify for finals on the basis of official times.
 - a. In an eight (8) lane pool, the eight (8) fastest shall qualify for the championship final. The consolation final shall consist of those contestants or teams that qualified as the ninth (9) to sixteenth (16) fastest, inclusive, on the basis of the heats.
 - b. In a ten (10) lane pool, the ten (10) fastest shall qualify for the championship final. The consolation final shall consist of those contestants or teams that qualified as the eleventh (11) to twentieth (20) fastest, inclusive, on the basis of the heats.
4. The 800m and the 1500m shall be held as timed finals with the fastest complete heat swum at the beginning of Session 2. All other heats are to be swum at the end of Session 1, starting with the fastest remaining Women's 800 Free heat, then the fastest Men's 1500 Free heat, and alternating until completion.
